Dear Ms. Rofuli:

I am forwarding my interest to secure a space for lease inside _____, with the end-goal of setting-up a Bibingkinitan! cart (a takeout mini-bibingka business concept). The space requirement for said business concept is 4 sqm to 6 sqm.

Also, kindly provide me with a list of the necessary documentary requirement to facilitate acquisition of said space.

Thank you very much for considering my requests.

Sincerely,
